marijuana is entering a new future more states are legalising cannabis for both medicinal and recreational use and the way people consume marijuana has changed new products created with new extraction techniques have broken the boundaries of traditional marijuana use new smoking accessories have been invented just for using these products out with the bong and in with the vaporisers and dabbers beyond buds shows how it's all done marijuana leaf and trim used to be considered trash but this book explains how to transform that trash into high quality stash

the book teaches you how to safely extract cannabis for cooking cannabis it is more than just a joint while some of you may already be quite happily growing cannabis in your back garden or down in the cellar there will be those who do not know where to start the author will give you a brief guide on how to grow your own cannabis but for the most part this book will concentrate on cannabis extraction methods and baking the most delicious cookies with your cannabis extracts

welcome to our guide to concentrates. Cannabis concentrates are products which contain cannabinoids and terpenes that are cannabis flowers or grown in ancient China and are concentrates have been popular for thousands of years. The technique for making concentrates has taken a massive leap forward and they are currently experiencing a cultural renaissance. Marijuana concentrate is a highly potent THC extract with concentrations that can be up to four times stronger than the highest grade oil. If marijuana concentrate is around 20% THC, one form of delivery orally by infusing marijuana concentrate into various foods or drinks remains the most popular form of use for water or oil being a highly concentrated form from marijuana. The effects of marijuana concentrate use are not fully known but we do know the effects of plant marijuana use. The effects include relaxation, talkativeness, and hallucinations. Plant marijuana users may also experience withdrawal and addiction problems in measured in the future. This year the use of marijuana vaping has become very popular with many people who want a more intense and numbing effect.
