Preparing for an English proficiency exam requires more than simply sitting down and writing. Those who get the highest scores know how to do two things: 1) how to manage their time effectively and 2) how to identify their own errors and correct them before the time is up. For over ten years, internationally educated nurses have increased their scores for the CELBAN writing task by mastering these skills through CELBANprep Writing Level One by managing their time so that they have time left to find mistakes and correct them. Now, for the first time ever, CELBANprep Writing Level One is available as a textbook. Two components: 1) This Kindle textbook, 2) A membership at CELBANprep.info to access the teaching videos and writing samples.
