frederick douglass and the philosophy of religion an interpretation of narrative art and the political addresses douglass s narrative method and the reformed epistemology of analytic theism within the context of incarnational theology timothy j golden argues that in this context douglass s use of narrative maintains a robust moral social and political engagement and thus a closer connection to an authentic christian theology in a way that analytic theism does not to show this contrast golden presents existential and phenomenological interpretations of douglass reading him alongside kierkegaard kafka and levinas golden concludes the book with reflection on how douglass s incarnational theology connects to

his future philosophical and theological work which understands consciousness subjectivity as saturated in time understood as history golden argues that the resulting view of consciousness helps to overcome abstraction in a variety of philosophical subfields including jurisprudence and gender studies

this work in the msu press rhetoric and public affairs series chronicles frederick douglass s preparation for a career in oratory his emergence as an abolitionist lecturer in 1841 and his development and activities as a public speaker and reformer from 1841 to 1845 lampe s meticulous scholarship overturns much of the conventional wisdom about this phase of douglass s life and career uncovering new information about his experiences as a slave and as a fugitive it provokes a deeper and richer understanding of this renowned orator s emergence as an important voice in the crusade to end slavery contrary to conventional wisdom douglass was well prepared to become a full time lecturer for the massachusetts anti slavery society in 1841 his emergence as an eloquent voice from slavery was not as miraculous as scholars have led us to believe lampe begins by tracing douglass s life as slave in maryland and as fugitive in new bedford showing that experiences gained at this time in his life contributed powerfully to his understanding of rhetoric and to his development as an orator an examination of his daily oratorical activities from the time of his emergence in nantucket in 1841 until his departure for england in 1845 dispels many conventional beliefs surrounding this period especially the belief that douglass was under the wing of william lloyd garrison lampe s research shows that douglass was much more outspoken and independent than previously thought and that at times he was in conflict with white abolitionists included in this work is a complete itinerary of douglass s oratorical activities correcting errors and omissions in previously published works as well as two newly discovered complete speech texts never before published
